7:30 p.m., First Baptist—Dr. Henry Ostrom.

The success of the first session of the Memphis Bible conference has exceeded the expectations of the men back of the movement.

"Never before have we ever enjoyed such hearty cooperation by the church people of all denominations as we have been given in Memphis," said Rev. J. B. Phillips, of Macon, Ga., founder of the Bible conference, who personally directed the institute here. "The spirit of the Memphis people is beautiful," he continued, as he told of the large audiences that attended all of the sessions and the appreciation manifested to the distinguished speakers who lectured.

The last session of the conference will be held Sunday, with the speakers assigned to various pulpits throughout the city, as announced in the accompanying program. Already, suggestions have been made that the conference be repeated again next year. It is quite possible that the institute will be made an annual event.

Only in one respect has the enterprise lagged, and leaders are hopeful that the shortcomings of the first Sunday—the people seemingly have been so engrossed in the studies presented by the leaders that they have neglected to provide for the expenses of the meeting. Only about one-fourth of the expenses of the meeting had been received in the voluntary collections taken in Friday.

YOUNG PEOPLE TO HOLD IMPORTANT CONFERENCE

The mass meeting of young people societies at the First Presbyterian church Sunday afternoon and evening offers a program of exceptional strength, including addresses by such distinguished speakers as Dr. M. E. Melvin, president of the Presbyterian Theological seminary at Louisville; Dr. Henry Ostrom, of the Moody Bible institute, as well as a number of well-known local churchmen. T. B. Ruddy will preside and the music will be under the direction of John Martinus.

Beginning at 4 o'clock, Alfred D. Mason will conduct a round table discussion on "Evangelism, Bible Study and Personal Work."
Supper will be served at the church after which there will be a model Christian Endeavor devotion meeting led by Warren Newsum, president of the city union. Representatives of all the local Christian Endeavor societies will take part in this service.

PICTURES WILL BE USED TO TEACH BIBLE TRUTHS

A new departure in Christian education and service will be inaugurated Sunday night at Grace Episcopal church.
For some time the rector and vestry have had under consideration the matter of teaching Christian truths by means of motion pictures. This, however, was necessarily postponed on account of their inability to get a sufficient number of suitable films. In the meantime, instead of the regular evening service in the church, a short service interspersed with the singing of familiar hymns and an illustrated address by means of a powerful stereopticon, will commence Sunday night at 7:30 o'clock. This service will be held in the chapel in the rear of the church. The subject will be "The Temple Which Christ Saw."

YOUNG FOLKS TO ENJOY STORY AND MOVIE HOUR

"The Luck of Roaring Camp" was to be shown in motion pictures at First Methodist church at 3 p.m. Saturday for the entertainment of the children and young people of the community. John R. Pepper was selected to tell the story.
It is planned to make the story and picture hour a frequent and popular item of the First church program of activities.

FIFTEEN YEARS OF BLACK-DRAUGHT

Black-Draught Highly Recommended by Illinois Man for Liver and Stomach Disorders—Used It for Fifteen Years.

Singerton, Ill.—"For fifteen years we have used Theodore's Black-Draught, and have not as yet found anything that could take its place," writes Mr. W. F. Rister, of this town. "I have used it for indigestion a number of times, and it gives relief."

continues Mr. Rister: "Four sour stomachs, a heavy, bloated feeling, it is splendid. And when the liver gets torpid, so that when you stoop and raise up suddenly you feel dizzy, a few doses will set you straight."

"We keep it and use for constipation and the above troubles, and find it most satisfactory. I can recommend it to others and gladly do so. For the number of years I have used Black-Draught now, I ought to know."

In 70 years of usefulness, Theodore's Black-Draught has relieved thousands and thousands of persons suffering from the results of a disordered liver. And, like Mr. Rister, many people feel that, after using Black-Draught nothing can take its place.

If you haven't tried Black-Draught get a package today. Nearly every drugist keeps it.
